

Snapshots

Storyboard

Directions for completing the organizer:

1. Record the title of the reading selection.
2. Identify two important events that occur at the beginning of the selection. Illustrate the event that happens first on snapshot 1 and the other event on snapshot 2. Write a caption below each illustration.
3. Repeat the process for the middle of the selection using snapshots 3 and 4 and for the end of the selection using snapshots 5 and 6.
4. Check your snapshots to make sure they show the correct chronological order.
