

Piecing Together Predictions

Prediction chart

Directions for completing the organizer:

1. Record the title on the thread line.
2. Scan the beginning of the selection and predict what you think it will be about. Write your prediction in the first column of the organizer. In the second column, record the clues that helped you make your prediction.
3. Read the beginning of the selection. In the third column of the organizer, write a sentence summarizing what you read.
4. In the organizer's last column, explain whether your prediction was correct.
5. Repeat Steps 2–4 to complete the organizer's middle and end sections.
