## BE MONSTROUSLY SUCCESSFUL

Want to be a top fundraiser?  
Here are some tips.

- **Set up your personal Jump Rope or Hoops For Heart webpage.** Your donors will have a convenient way to donate.
- **Download the app.** Ask your parent or guardian to download the Jump Rope For Heart/Hoops For Heart mobile app, then use it to reach out to friends and family.
- **Fundraise with Facebook.** You'll need help from a parent or guardian to get social and raise funds for heart health.
- **Get to work.** Ask your parent or guardian to take your fundraising envelope to work.
- **Ask about matching donations.** Some companies match employees' charitable donations. Ask all of your donors about this.
