

Be Smart About Smoking

Read.

Why is smoking a bad habit? It makes a person's heart beat fast. It hurts many parts of the body. It makes it hard for a person to breathe well. It can make a person very sick. It can even stain a person's teeth. It is not good for other people to be near the smoke. They may get sick too. It may be hard for people to stop smoking. Good things happen when they do, though! Their lungs may start to get better. They may breathe better. Their hearts may work better too!

Smoking is not a cool
Or smart thing to do.
It hurts your body,
And it harms others too!
