

## Learning with Ladybugs

### Ladybug fun facts:

- Ladybugs come in many colors.
- The most common color is black and red.
- In some areas, ladybugs are considered good luck.
- Most ladybugs have six short legs.
- Ladybugs have many spots to no spots on their wings.

**Skill:** Identify whether the number of objects in one group is greater than, less than, or equal to the number of objects in another group.

Show one card to a small group. Count the ladybugs together on the card. Ask the children to take turns taking a card and identifying whether the number of objects on their card is greater than, less than, or equal to the number of objects on your card.
