HERO
SQUAD

Congratulations!

You worked toward a physical activity goal.

That's good news for your heart and blood health!

Goals are great because they

- motivate
- promote responsibility
- lead to success

Badges

Copy the badges for your grade level, making one set for each child. After a child masters that part of the unit, give the child the corresponding badge. Encourage the child to tape the badge to his or her shirt or to create a badge collection by taping the badge to a 4" x 11" strip of construction paper.

Kindergarten

I know what
my **brain** does.
