

The Pickle Report

Ollie Q. Cumber chose four flavors of pickles and asked his pickle pals to vote for their favorites. Use his data to complete the bar graph.

Day 1 Votes	
kosher dill	15
sweet	9
sour	11
bread and butter	5

Day 2 Votes	
kosher dill	8
sweet	11
sour	9
bread and butter	12

Day 3 Votes	
kosher dill	7
sweet	20
sour	5
bread and butter	8

Answer the questions.

- Which flavor of pickle was most popular? _____
- How many votes did the sour flavor get? _____
- Was the sweet flavor or sour flavor more popular? _____
- How many votes did the kosher dill and sweet flavors get altogether? _____
- What two flavors received the same number of votes? _____

Bonus! How many pals voted each day? How many pals voted in all?

Answer Key

“The Pickle Report” (2.MD.D.10)

Types of Pickles	Number of Votes									
kosher dill										
sweet										
sour										
bread and butter										
	0	5	10	15	20	25	30	35	40	

1. sweet flavor
2. 25 votes
3. sweet flavor
4. 70 votes
5. sour flavor, bread and butter flavor

Bonus: 40 pals voted each day; 120 pals voted in all.
