# Fresh Start for the New Year

Dear Family,  
It's a brand-new year. Isn't that exciting? When I think of a new year, I think of fresh starts, renewed energy, and unlimited possibilities—all great opportunities for learning. And learning is exactly what we'll be doing each and every school day right up until the very last day of the school year.

As you can probably tell from the papers and projects your child brings home, we're using numerous supplies. At the start of the school year our shelves were stocked, but now we're starting to run low on important items. To find out what we're in need of, check the display in the classroom or take a glance at the list below. Please consider contributing a class supply or two if you are able.

Thank you in advance for your continued support. I'm looking forward to a stellar second half of the school year!

Sincerely,

---

P.S. When purchasing school supplies for our class or for use at home, visit your neighborhood Office Depot® or OfficeMax® store. Join the Office Depot® | OfficeMax® Rewards program. Membership is free and includes discounts, recycling rewards, and members-only offers. You'll be glad you did!

## Time to Restock!

### Second-Half Starters

Keep your child excited about school and learning with these helpful tips.

- Make sure your child gets plenty of rest.
- Maintain a consistent after-school routine.
- Be positive! Always speak supportively about learning and school.
- Always ask your child about his or her day.
- Feel free to contact me anytime you have questions. Your child's success is a journey we share.
