What's your penguin personality? I'm a problem solver, always quick to find a solution.

I'm speedy, zipping through my day like a penguin cutting through the ocean.

I'm a curious customer, my students and I ask lots of questions.

I'm a master of disguise, tucking lessons into every interaction.

I'm a deep thinker, diving into the curriculum like a penguin in the sea.

I'm dedicated; I always go the extra mile (or miles!) for my students.
