

# Wear It? Recycle It!

## Win Up to \$500 in Classroom Cash!

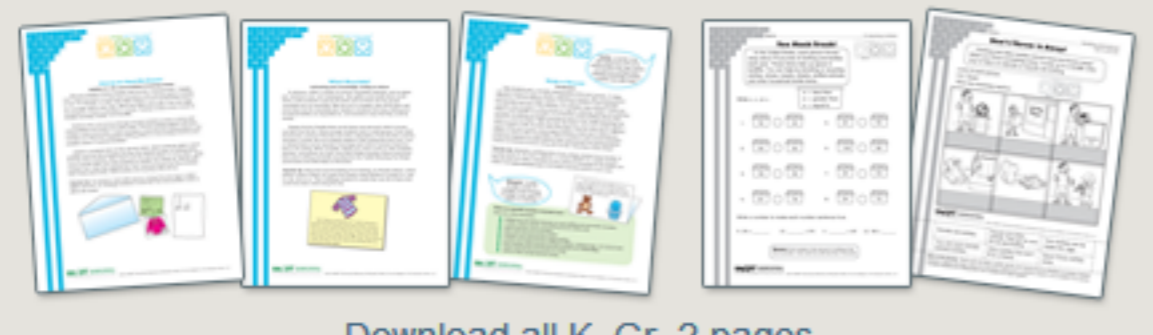

Did you know that clothing and textiles can be recycled and reused just like paper, plastic, glass and aluminum? It's true! Everything from clothing to towels, sheets, and even stuffed animals and shoes can be recycled. **Clothing and other textiles should never go in the trash! Teach students this important lesson and reinforce Common Core language arts and math skills with free activities and worksheets!**

Plus enter to win a classroom grant! **One lucky teacher wins \$500, and five runners up each win \$100.** Download your free activities and fill out the form to enter our drawing!

**Bonus!** Once you enter our contest, share the message about textile recycling with colleagues and with students' parents. You'll receive a bonus contest entry for each person you share with!
