

Our Hand Washing Pledge

We pledge,
for our good health and the good health of others,
to help stop the spread of germs by
using soap and water each time we wash our hands
and to always use a clean, dry towel to dry them.

Georgia-Pacific
Professional

We will wash and rinse
the tops and bottoms of both our hands
and in between our fingers too.
We will wash before we eat, after we flush,
after we play with pets and other animals,
and all other times our hands look or feel unclean.
